**Overview**

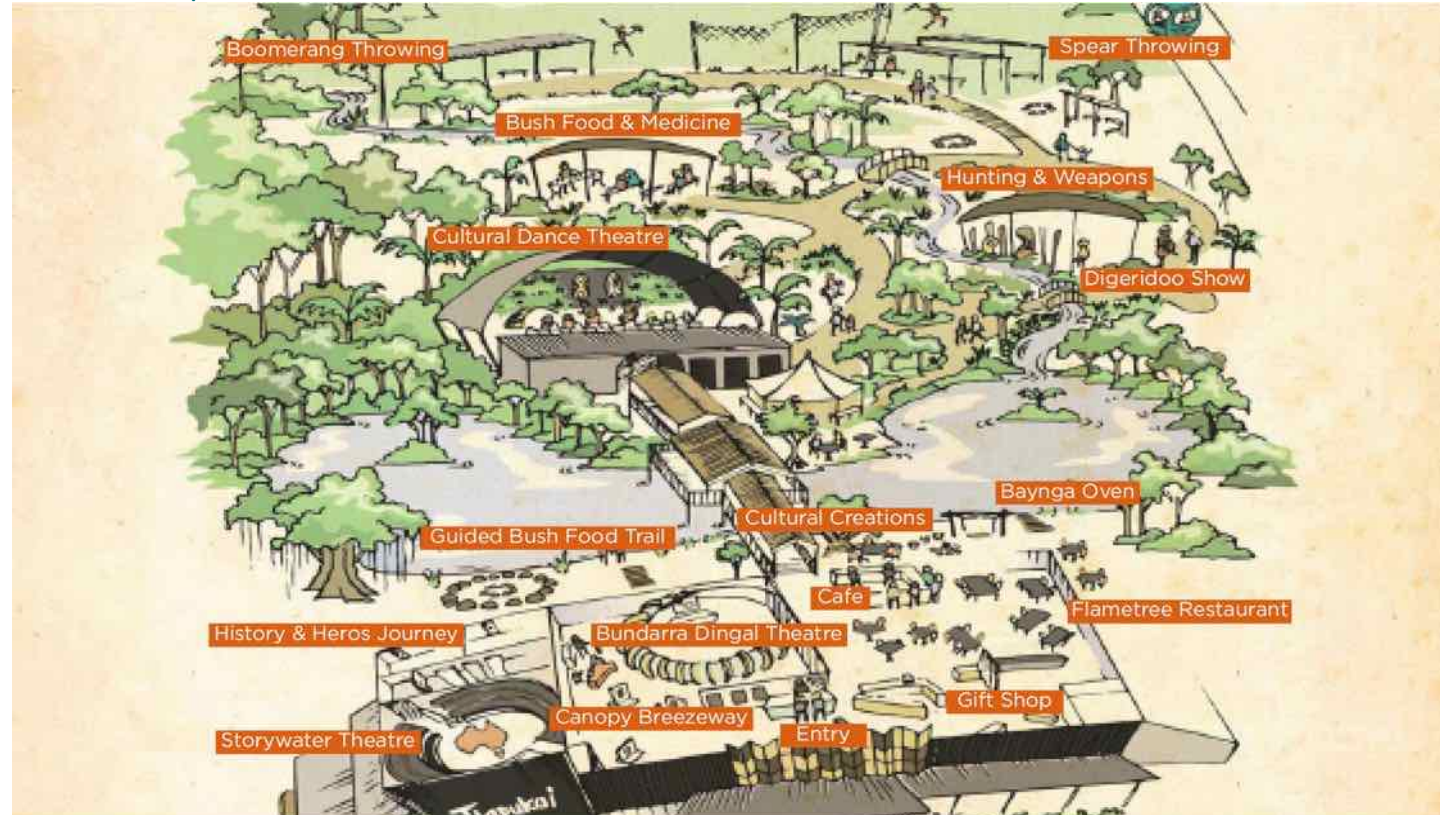

Located in Cairns, Tropical North Queensland, Tjapukai has been sharing the authentic culture and traditions of the local Djabugay people for the past 30 years, providing employment opportunities for their people and giving the performers immense pride in demonstrating their culture. Tjapukai Aboriginal Cultural Park is the ultimate place to experience the rich and ancient cultures unique to Australia's Aboriginal and Torres Strait Islander people. For over 26 years the park has engaged, entertained and educated thousands through two very unique experiences known to many as "Tjapukai By Day" & "Night Fire", each distinctly different.
