

## G'DAY, ENJOYED MY STAY SUBMISSION - Tjapukai Aboriginal Cultural Park

Hi there,

I attended the Tjapukai by Night Show recently and loved every second!

The Tjapukai performers are incredibly talented and offer the audience a true depiction of Aboriginal Culture. As a traveller with little knowledge of Aboriginal Heritage prior to visiting Tjapukai, I most definitely valued the education! The performance was absolutely magical, one of my Australian highlights.

Just passing on my thanks for a wonderful evening, and commendation on the park!

Sincerely, Ayesha Beyersbergen, Canada
